

Santa's a busy guy!

We just know that if he needed an overnight place to "park his sleigh," he'd think of us.

The logo for Holiday Inn Express Hotels & Suites is printed in white on the red fabric of a Santa hat. It features a small starburst icon above the word "Holiday", "Inn" in a large script font, "EXPRESS" in a smaller sans-serif font with a registered trademark symbol, and "Hotels & Suites" in a sans-serif font below.
