Very soon, you'll be receiving the mailings for other area Bridal Shows & Expos. We know that by the time February 17th rolls around you might be "Bridal-Showed-Out!" - so when it comes to making the decisions about participating in area Bridal Shows- choose wisely and make sure the Grand Pointe Show is on the top of your list. Why such a late date for the 2008 Bridal Expo? Simply put...this show is the FIRST Show after Valentine's Day; the day when most future Brides receive their engagement rings.
